

CORTEC SOFTWARE LICENSE AGREEMENT

**Brain Interchange Research| Software License | Application Programming Interface
v.1.0.65 early access**

In the following abbreviated as: BIC API

1. Definitions

- a) "Software": (i) any executable software files of the CorTec product BIC API, subroutines, libraries and ancillary files provide by CorTec, (ii) related documentation, and (iii) any updates, upgrades and additions to such Software.
- b) Third Party Products
 - Boost C++ Libraries (<http://www.boost.org>)
 - Log4Cplus (<http://sourceforge.net/p/log4cplus/wiki/Home/>)
- c) "Associated Companies": associated companies within the meaning of §§ 15 subsequent German Stock Corporation Act.

2. Copyright

The Software is protected by copyright laws. Except as expressly stated herein, this Agreement does not grant you any intellectual property rights in the Software and all rights not expressly granted are reserved by CorTec.

3. License

Upon full payment of the license fees, CorTec grants Licensee a non-exclusive, permanent, nontransferable license to use the Software for Licensees internal business. You may make a reasonable number of backup/ recovery copies of the Software, provided your backup/ recovery copies are not installed on systems.

4. Restrictions

- 4.1. The Software may contain software products of other vendors. Such Third Party Products may be subject to the following additional terms:
 - Boost C++ Libraries: http://www.boost.org/LICENSE_1_0.txt
 - Log4Cplus: <http://www.apache.org/licenses/LICENSE-2.0>
- 4.2. The Licensee is entitled to decompile the Software only to the extent permitted under Section 69 e German Copyright Act and only if the Licensor has not provided the Licensee

within reasonable time upon Licensee's written request with data and/or information required to ensure the interoperability of the Software with other software.

- 4.3. Licensee may not modify, adapt or translate the Software.
- 4.4. Any copy of the Software permitted under the terms of this License must contain the same copyright and other proprietary notices of CorTec that appear on or in the Software.
- 4.5. Licensee may not rent, lease, let or sublicense the Software or make the Software by any other means available to or accessible by any third parties. Licensee may use the Software only in full compliance with applicable laws, including, without limitation, any medical device and data protection laws.
- 4.6. **CAVEAT:** The Software has not been approved as medical device under the European Medical Device Directive. The Software is not intended to be used and may, therefore, not be used by Licensee for regular medical treatment of patients. Any use of the Software for clinical trials must strictly adhere to the regulatory framework for such clinical trials under applicable laws.
- 4.7. Licensee agrees to allow CorTec or an agent of CorTec to audit whether Licensee's use of the software is in compliance with the rights granted to Licensee herein upon request by Licensor and provided there is a reasonable interest therein and to give full co-operation to Licensor or its agent carrying out such audit.

5. Warranties

- 5.1. Conformity of the Software is determined exclusively according to specifications of the Software documentation valid at the signing of this agreement. CorTec disclaims any warranty, express or implied, of fitness of the Software for the purpose of regular medical treatment of patients.
- 5.2. The warranty period shall expire 12 months after delivery.
- 5.3. Test software is provided "AS IS" without a warranty of any kind.

6. Liability

- 6.1. CorTec shall be liable a) for any damage caused by a willful, fraudulent or grossly negligent act, or resulting in injury to life, body or health, or covered by the Product Liability Act, b) for any reasonably foreseeable damage resulting from its breach of a fundamental

contractual obligation up to the amount of the licensing fees agreed under this Agreement.

6.2. All other claims shall be excluded.

6.3. CorTec excludes any liability for any damage caused by Licensee's use of the Software for regular medical treatment of patients.

7. Miscellaneous

7.1. This Software License Agreement shall be governed by German law.

7.2. Should any provision of this Agreement be or become invalid, this shall not affect the validity of the remaining terms. The parties shall in such an event be obliged to cooperate in the creation of terms which achieve such legally valid result as comes closest commercially to that of the invalid provision. The above shall apply accordingly to the closing of any gaps in the Agreement.

7.3. The courts for Licensor's registered office shall have exclusive jurisdiction over all disputes under and in connection with this Agreement, provided that Licensee is a merchant within the meaning of the German Commercial Code or if upon the commencement of legal proceedings, Licensee has no place of business or ordinary residence in the Federal Republic of Germany.
